Hi,

I am available today, except at 2pm mt. Tomorrow is open except 9:30, 12:30-3pm mt.

Please let me know what works.

Tim

Hey Tim,

Thanks for joining us recently to discuss how Breton NWR could be potentially impacted by the NFE DWP project. I wanted to follow-up with some questions about the air modeling you prefer and the requirements for inputs. Do you have time for a quick phone call to informally talk through some questions? If so, can you send a couple of days/times that work for you?

Please forward as needed.

Thanks,
